About IdaTech

IdaTech plc is an advanced fuel cell products company which is operationally headquartered in Bend, Oregon, USA and is listed on AIM with the ticker code IDA.

IdaTech designs, develops, and manufactures extended run backup power fuel cell products for Telecom applications requiring 100 W to 15 kW of backup power. IdaTech's unique PEM fuel cell technology provides solutions for a wide range of applications to directly support efforts towards sustainable energy.

IdaTech's portfolio of industry-certified fuel cell products are based on the company's fuel processing, purification and fuel cell system integration capabilities. With the support of strategic partners and customers, the company's extended run backup power products are being deployed worldwide for stationary applications.
